Attached for your signature is a letter to Senator Church concerning lifting the moratorium on records destruction. Later this week I suggest that we notify Senators Mansfield and Scott of our intention to proceed with the destruction of records. After we obtain the Senate leadership's agreement, we can then notify Representative Albert. This letter has been coordinated with OGC, DDA, and Review Staff. In addition, Mike Duval recommended that we coordinate the letter with the Department of Defense, Department of State, Department of Justice, and the IRS, and we have done so.
